ABOUT THE DEPARTMENT

The Department of Pharmacy Practice of Swamy Vivekanandha College of Pharmacy (SVCP) established in 2008 specializes in Clinical Pharmacy services and Pharmaceutical care at Vivekanandha Medical Care hospital. The department playing a key role to fulfill the needs of clinicians and patients and other health care professionals by providing the services like drug information services, patients counselling, medication chart review, medication reconciliation, Pharmacovigilance, clinical toxicological studies, pharmacoeconomic evaluation, outreach activities and continuing Pharmacy Educations (CPE) programme. The department has a team of enthusiastic and talented faculty members. The department has several collaborations with well reputed hospitals and industries to extend our student research activities. The department is a peripheral centre for the Pharmacovigilance program of India (PvPI) and secretariat for ISPOR-India Tamil Nadu Regional Chapter also established ISPOR-SVCP student's chapter in the year 2020. The faculty has won various national and international scholarships and awards from ISPOR. The department organizing the national level seminar Clinical Pharma Practice- Indian and Global Scenario (CPP-IGS) annually with the motto of educating the pharmacy students on real world's need and connecting them with industries.

ABOUT THE SEMINAR

*In the emerging pharma field, clinical pharmacy practice plays an important role in safe and effective use of medicine. As a health care professional, pharmacy students play a vital role in health care delivery to people. To address the scope and importance of Health Economics and Outcomes Research is to improve the decision making in a complex health care environment and to understand health care markets and systems throughout the world. Department of Pharmacy Practice organizing one day National Level Seminar on **" Clinical Pharma Practice- Indian & Global Scenario" (CPP-IGS 2022).***
