Case Presentation (Digital)

ABOUT THE DEPARTMENT

The Department of Pharmacy Practice of Swamy Vivekanandha College of Pharmacy (SVCP) established in 2008 specializes in Clinical Pharmacy services and Pharmaceutical care at Vivekanandha Medical Care Hospital. The department plays a key role to fulfill the needs of clinicians and patients and other healthcare professionals by providing the services like drug information services, patients counseling, medication chart review, medication reconciliation, Pharmacovigilance, clinical toxicological studies, pharmaco-economic evaluation, outreach activities, and continuing Pharmacy Educations (CPE) programme. The department has a team of enthusiastic and talented faculty members and has several collaborations with well-reputed hospitals and industries to extend the students' research activities. Our own VMCH Hospital has a peripheral centre for the Pharmacovigilance Program of India (PVPI) and secretariat for ISPOR-India Tamil Nadu. Regional Chapter also established ISPOR-SVCP student's chapter in the year 2020. The faculty has won various national and international scholarships and awards from ISPOR. The department organizes the national level conference Clinical Pharma Practice- Indian and Global Scenario (CPP-IGS) annually with the motto of educating pharmacy students on real-world needs and connecting them with industries.

ABOUT THE CONFERENCE

In the emerging pharma field, clinical pharmacy practice plays an important role in the safe and effective use of medicine. As healthcare professionals, pharmacy students play a vital role in healthcare delivery to people. To translate research advancement into practice in clinical pharmacy through updates in Pharmacoeconomics, Pharmacoepidemiology, and Pharmacovigilance, Department of Pharmacy Practice organizes National Level Seminar on Clinical Pharma Practice Indian & Global Scenario" (CPP-IGS 2023).
