ABOUT THE DEPARTMENT

The Department of Pharmacy Practice of Swamy Vivekanandha College of Pharmacy (SVCP) established in 2008 specializes in Clinical Pharmacy services and Pharmaceutical care at Vivekanandha Medical Care Hospital. The department playing a key role to fulfill the needs of clinicians and patients and other healthcare professionals by providing the services like drug information services, patients counselling, medication chart review, medication reconciliation, Pharmacovigilance, clinical toxicological studies, pharmacoeconomic evaluation. outreach activities and continuing Pharmacy Educations (CPE) programme. The department has a team of enthusiastic and talented faculty members. The department has several collaborations with wellreputed hospitals and industries to extend our student research activities. The department is a peripheral centre for the Pharmacovigilance program of India (PvPI) and secretariat for ISPOR India Tamil Nadu Regional Chapter also established ISPOR-SVCP student's chapter in the year 2020. The faculty has won various national and international scholarships and awards from ISPOR. The department organising the national level conference Clinical Pharma Practice- Indian and Global Scenario (CPP-IGS) annually with the motto of educating pharmacy students on real world needs and connecting them with industries.

ABOUT THE SEMINAR

In the emerging pharma field, clinical pharmacy practice plays an important role in the safe and effective use of medicine. As a healthcare community, pharmacy students ever more sensitive in measuring cost and outcomes associated with the use of pharmaceuticals in healthcare delivery to improve public health through rational decision making when selecting among alternative therapies.
